

## ***Editorial.....***

Welcome to the 1<sup>st</sup> edition of ***Aurovani*** 2019. We are really proud and exuberant to acclaim that we are ready with all new hopes and hues to bring out the first issue, which is going to surely unfold the unraveled world of the most unforgettable and precious moments of the school.

***Aurovani*** is to be viewed as a launch pad for the children's creative urges to blossom naturally. As the saying goes, mind like parachute works best when opened. This humble initiative is to set the budding minds free allowing them to roam free in the realm of imagination and experience to create a world of beauty in words.

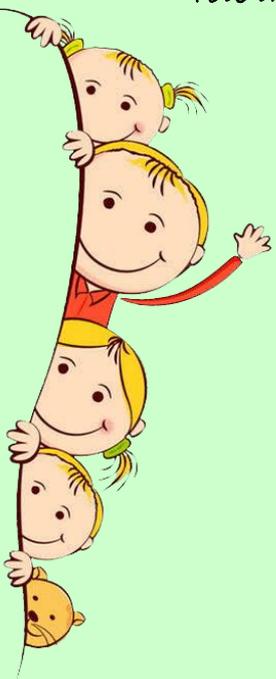

I believe that success depends upon our power to perceive, the power to observe and the power to explore.

It gives me immense pleasure to ensure that this magazine has successfully accomplished its objective. The reflection of the students' creativity and achievements is the epitome of the magazine.

I take the opportunity to thank all the contributors as their contribution is the reason that makes this magazine endearing with our readers. I am thankful to our respected Principal for entrusting me the responsibility of updating the events in ***Aurovani***.

I heartily wish all the readers my best wishes and hope this will play a vital role in the all-round development of the children.
